# SIGNATURE

By signing below, the exhibitor acknowledges having read and understood the regulations of the International Exhibition of Inventions Geneva, the Good practice guide for Exhibitors (available on [inventions-geneva.ch](http://inventions-geneva.ch)), and the General Regulations for users of the Palexpo site (available on [www.palexpo.ch](http://www.palexpo.ch)).

By their signature(s) on this registration, the undersigned declare(s) to have valid and sufficient powers of representation.

Date .....

Signature .....

## By signing, the exhibitor agrees to comply with the following points:

- 1 The International Exhibition of Inventions Geneva is open to: inventors, companies, firms, promoters, associations, universities, private and state organizations, showing inventions already protected by intellectual property rights.
- 2 An invention may only be presented once at the Exhibition in Geneva, unless substantial modifications have been made to it since it was first exhibited.
- 3 Inventions may be presented in the form of pre-series or commercial samples, already manufactured articles, prototypes, models, plans, drawings, photos and texts.
- 4 In the Official Catalogue, the inventions will be published in one of the following classes and the Committee reserves the rights to modify in which classes they shall be placed.  

Class A	Mechanics - Engines - Machinery - Tools - Industrial processes - Metallurgy
Class B	Watchmaking - Jewellery- Machinery - Tools
Class C	Electronics - Electricity - Methods of communication Electrical network
Class D	Building - Architecture - Civil Engineering - Construction - Materials - Woodwork
Class E	Sanitation - Ventilation - Heating
Class F	Security - Rescue - Alarm
Class G	Ironmongery - Do-It-Yourself
Class H	Furnishing - Interior architecture
Class I	Domestic science - Restaurant equipment
Class J	Commercial, industrial and office equipment
Class K	Agriculture - Horticulture - Gardening
Class L	Clothing - Textiles - Machines and accessories
Class M	Medicine - Surgery - Orthopaedics - Material for disabled
Class N	Optics - Photography - Cinematography - Eyewear
Class O	Teaching methods and materials - Musical instruments - Art materials
Class P	Transport - Motor vehicles - Ships - Aviation - Accessories
Class Q	Paramedical - Health - Hygiene - Foodstuffs - Drinks - Cosmetics
Class R	Sport - Leisure
Class S	Practical novelties - Presents
Class T	Publicity - Printing - Packaging
Class U	Games - Toys
Class V	Protection of the environment - Recycling
Class W	Hardware - Software - Cybersecurity - Blockchain Internet of things (IoT)
Class Z	Energy - Renewable and green energy
- 5 The inventions exhibited will be grouped by country. Exhibitors must indicate on the entry form the kind of stand they will need.  
Stands will be sited by the Committee.
- 6 **SALE TO OUR VISITORS**  
**Exhibitors may not sell products or articles directly to visitors. Only exhibitors from the commercial sector are authorized to sell their products and items.**
- 7 Exhibitors must complete A SEPARATE ENTRY FORM FOR EACH INVENTION WHICH THEY WISH TO EXHIBIT. Not more than one invention may be included on each form. Entry forms, duly completed and signed, should be sent as soon as possible and before the deadline. After this date, subject to places still being available, entry fees will be increased by 10%.
- 8 **Once the Entry Form has been accepted and registration confirmed by the Committee to the exhibitor, the exhibitor is obliged to pay the total amount of his/her invoice within the delay indicated. Exhibitors who cancel their participation before the last registration date must pay 50% of their invoice. Exhibitors who cancel their participation after the last registration date must pay the whole amount of their invoice.**
- 9 Exhibitors requiring an electricity supply, furniture, parking or advertising space in the Official Catalogue must order them on the online technical shop.
- 10 **GENERAL INSTRUCTIONS**  
After receipt of the Entry Form, the Committee will send to each exhibitor the General Instructions concerning:
  - the dates for building and dismantling the stands
  - how to send and/or transport the inventions
  - the official opening ceremony of the Exhibition
  - the day on which the International Jury examines each invention
  - the prize-giving ceremony
- 11 The Committee accepts no responsibility for any errors in the translation or wording of descriptions and advertisements published in the Official Catalogue.
- 12 A security service will operate during the whole period of the Exhibition. However, the Organizing Committee and its representatives abroad accept no responsibility for loss, theft, damage due to fire or other causes, or personal injury suffered, during the Exhibition or in transit.
- 13 **By his formal application to participate in the Exhibition, each exhibitor undertakes to ensure delivery of his invention at the time stated in the instructions he receives and to allow it to remain on display during the whole Exhibition. Any exhibitor withdrawing his invention before closure shall render himself liable to pay damages and shall forfeit any award made to him.**
